

SAVONA

Sleek & robust liquid soap dispenser

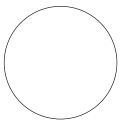

The SAVONA is a classically designed liquid soap dispenser suitable for all hand washing environments. This 1 litre soap dispenser is available in both cartridge and direct fill versions and is built for service. Robust and reliable, it has strong features for both service and hygiene.

SAVONA is available in Kennedy's full range of finishes and can be used with a broad range of consumables from regular, cosmetic and anti-bacterial soaps to sanitising gel and conditioning after work cream.

Benefits

Reliability & Durability

- > Straightforward design and use of highly durable material
- > Non-drip patented pump mechanism
- > Angled top of dispenser to prevent cigarette burn damage
- > Locking system to deter theft and guarantee content integrity

Ease of Service

- > Hinged cover for operator convenience and speed of service
- > Practical inspection window shows when a refill is required

- > One security key for the whole Kennedy range

Maximum Hygiene

- > Each cartridge comes with its own nozzle ensuring germ/blockage-free replacement
- > Soap has no contact with the unit and comes directly from nozzle to hand
- > Patented one-way valve prevents soap and bacteria from returning to the cartridge

End user Satisfaction

- > Range of versatile soap lotions suitable for various environments
- > Push or pull operation options
